

MSI E&S Homeowners Insurance

Flexible coverage for a wide range of homes. Built for today's evolving market.

A Smarter Way to Secure Coverage

In a homeowners market shaped by rising costs and shifting insurer appetites, MSI provides a reliable path to coverage. Our E&S homeowners solutions help agents place business with confidence, whether insuring standing properties or more complex, high-value homes.

Backed by global reinsurers, MSI delivers competitively priced coverage for homes up to \$10 million in value nationwide, including areas with higher catastrophe exposure. Flexible deductible options and tailored coverage solutions give customers greater control over how they protect their homes.

Fast, technology-driven quoting

Our online portal enables instant eligibility decisions and often immediate quotes, with customized quotes for more complex risks typically delivered within 24 hours.

Expert underwriting, tailored solutions

Our underwriting team brings deep expertise across all risk types, with a flexible, tailored approach for each customer.

Service that stands behind every policy

We support agents and customers throughout the policy lifecycle with fast, fair claims handling and proactive risk management.
