### Products Offered Nationwide

### Delivering an Easy Insurance Experience for Customers

MSI's Customer Portal puts our customers in control of their policy 24/7, from accessing documents and selecting payment options to updating personal information, making payments and reporting claims.

### A.M. Best Rated

At MSI, we prioritize financial stability and credibility. Our products are rated by respected agency A.M. Best, reflecting our strong financial health and commitment to meeting our claims obligations. We aim to instill confidence in our partners and customers through our top-rated products, ensuring you can trust us as your insurance provider.

### Our Distribution

Our distribution model is designed to reach a broad range of clients through strong partnerships with wholesale brokers and retail agencies. We prioritize seamless collaboration, ensuring that our partners have access to innovative solutions, competitive pricing, and outstanding customer support. By working closely with both wholesale and retail channels, we deliver reliable, tailored coverage that meets the diverse needs of homeowners and investors alike.
